To Whom It May Concern:

The Office of the Legislative Auditor annually conducts a financial audit of selected programs at various institutions in the Minnesota State Colleges and Universities (MnSCU) system. Minnesota State University, Mankato is a part of this system. This annual Statewide Financial and Federal Compliance Audit (single audit) satisfies the federal government's financial and compliance audit requirements for all federal programs administered by the Minnesota State Colleges and Universities during the fiscal year (per 24 CFR 85.20).

Any additional questions can be addressed to the Office of Finance and Administration at Minnesota State University, Mankato.
